## Parish Council Notes

The Parish Council has continued to meet via Zoom, holding virtual meetings on its usual scheduled meeting days. The public can log on and join in and the access code to the meeting is printed on the top of the Agenda for each meeting which is then posted on the Parish Council website.

The last two meetings held were for February and March 2021. There are still 2 vacancies on the Parish Council.

As a follow up to its quarterly Highways Meetings with NELC, a member of the Council and the Clerk held a 'walk round' to look at parking and highways issues within the Village and NELC will look to make some proposals and carry out some consultation around the issues discussed.

As usual, planning issues were discussed and also the Council is considering the repainting of the play equipment in the playground off Station Road.

All information is also available readily on our new website at [stallingborough-parishcouncil.com](http://stallingborough-parishcouncil.com). The is now revamped and is suitable for viewing on mobile devices also. All accounts, agendas etc. are published on the website.

Planning is still discussed at the virtual meetings, with members of the Council able to view plans on the NELC Planning Portal and comments are still submitted by the Parish Council.

Ward Cllrs. Stewart and Karen Swinburn attend the Parish Council meetings regularly and help the Council with issues within the Village.

At the moment members are unclear as to whether meetings in person will be allowed from May. The current legislation which allows us to meet virtually will cease in May 2021 and so the Council awaits instruction from central Government in what will happen with regard to Council meetings.

## How you can help

### How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 1355 Dan Hassan [daniel.hassan@humberside.pnn.police.uk](mailto:daniel.hassan@humberside.pnn.police.uk)

PC 2466 Shannon Mighty [shannon.mighty@humberside.pnn.police.uk](mailto:shannon.mighty@humberside.pnn.police.uk)

### Village Hall Update

Obviously, during this current lockdown, the Village Hall has once again had to close.

Our schedule for reopening, if all goes according to plan with easing of restrictions, will be to open as follows:

w/c 12th April    Open for all under 18's organised activities  
(with maximum of 15 parents present)

w/c 17th May    Open for indoor adult sports/fitness classes  
Although this includes social distancing  
Measures in 2m spaces

w/c 21st June    Open for all hirings including parties, bar  
Bookings etc. and no social distancing  
Required.

We have ring-fenced slots for regular hirers but if you wish to return you should contact the Clerk as soon as possible to confirm your return date. After June it may not be possible to keep your slot open if other hirers come forward.

Anyone with any questions on the Hall please contact the Clerk on 07494—577661. Thank You.

### USED POSTAGE STAMPS FOR CHARITY

I am still collecting used postage stamps for charity. The charity requests that the stamps have 1cm of paper all the way round them please.

Many thanks,

Jenny Short

### Phone n Ride Service

*The Phone 'n' Ride service remains open to support local residents with essential journeys in line with Government guidance. This includes employment, education, medical appointments and essential shopping. You can also use the service to meet those in your support bubble. For more information on COVID-19 go to **Coronavirus advice and support**.*

With respect to trialling the Semi Fixed route through the village, we will hold off promoting this until lockdown restrictions are over.

## **THE BARTON & CLEETHORPES COMMUNITY RAIL PARTNERSHIP (10)**

### **JOBS**

I do hope as many people as possible saw the Northern Rail item of job opportunities available, on the Stallingborough Village NE Lincolnshire FACEBOOK page.

I will continue to post any others future details of job opportunities that arise along with links to other train operators.

It's worth bearing in mind that rail travel with the employer company on their routes is free for successful applicants, with generous concessions when travelling other train operators.

### **NEWS**

I will include the 2021 summer timetable for the Barton Cleethorpes trains in the next Newsletter.

BCCRP are currently working with EMR, the train operator, in planning the 2022 timetable.

Consequently it would be useful to have some meaningful data on what local passenger preferences are.

If you would be kind enough to reply to the stated questionnaire below as appropriate, I would be grateful.

Please feel free to add any relevant comments. Closing date 30<sup>th</sup> June 2021.

**If the EMR train from Grimsby to Lincoln were to make at least one stop daily in each direction at Stallingborough, with onward immediate connections to and from London trains at Lincoln, would you be likely to use this service at any time?**

# Bedtime Routine

Simple checks to reduce the risk of a fire starting when you are asleep

### Check list...

- Close inside doors at night to stop a fire from spreading.
- Turn off and unplug electrical appliances unless they are designed to be left on – such as your freezer.
- Check your cooker is turned off.
- Don't use household appliances such as washing machines whilst you are sleeping.
- Turn heaters off; with open fires ensure all embers are fully extinguished and a fire guard is put in place.
- Put candles and cigarettes out properly.
- Make sure exits are kept clear.
- Keep door and window keys where everyone can find them.

If you are woken by your smoke alarm – **GET OUT, STAY OUT AND CALL 999**

## **Stallingborough Produce Show**

The committee have decided to try and organise some kind of Produce Show in September,

Everything will depend on the rules in the summer but we think it is worth a try.

We will update with any further news in the next edition of the Newsletter.

## **Remembrance Day**

The Parish Council has already started planning extra items to mark Remembrance Day this year—if restrictions allow at the time for us to go ahead.

The Council is looking to obtain some lamp-post poppies and other items to mark Remembrance in 2021 and will keep everyone updated via the Newsletter, website and social media.

The seed sowing is being done on one weekend in early March, weather dependant. We would have loved to invite residents and in particular children to help but the spectre of Covid has meant this is not possible this time. The seed is a mix of annuals and perennials so that we will see the benefit immediately through the annual flowers and in future years through the perennials. The flowers will be cut back in September.

We look forward to the benefit of the work and to a lovely display over the summer months.

If anyone has any questions or suggestions for 'where next' please post on the Facebook sites or email  
Dave.Holmes55@gmail.com.

David Holmes

## Verge Wildflowering

The loss of wild flower habitat for our pollinators over the last few decades has been immense. In recent years there has, however, been a campaign to sow wild flower seeds on road verges in order to go some way to compensate for this loss. This campaign has been very successful around the UK in recent years and the results of this can be best seen locally on the verges around the roundabout leading to Matthew Ford Way.

Looking at the possibility of doing such work in our village, a small group of people held discussions with the Parish Council about the possibility of wild flowering the entrance to our village. The council allowed us to pursue the idea of sowing seeds on two verges. This is a pilot project with, if it is deemed successful in helping pollinators and in making the entrance to the village look more inviting over the summer months, the aim being to sow more areas in future years. With regard to the work needed, the good people from the Ecology department of North East Lincs Council have been very helpful in agreeing that the preparatory needed will be done by the Council's Grounds department and also in advising on the type of seed needed.

The funding of the seed has come from donations from many kind people in the village and from a grant from a fund held by our ward councillor, Stewart Swinburn. The response to a request for funds posted on the village Facebook sites has been fantastic and our profound thanks go to everyone who has kindly donated.

## CHURCH NEWS – ST PETER AND ST PAUL, STALLINGBOROUGH

## GENERAL NEWS ITEMS

### Humber Link Road

This road has now been completed and will make travelling times between Grimsby and Immingham much shorter.

The road goes from Moody Lane, Grimsby through to Hobson Way, Stallingborough and saves having to travel along the A180.

There are further plans to improve cycle routes.

### Works to A1173

These works have also now been completed, ahead of schedule.

### Council Tax discount correspondence and requests

Some residents have been receiving correspondence from NELC regarding their 25% discount for being the sole adult occupier of a property. If you were receiving this discount and NELC has asked you to complete a request form giving information etc., then its important that you do so. NELC runs requests for sole-occupany discount through several checks, including checks with outside agencies etc., to validate these claims. So it is important that you complete any request for information in support of these claims, and send it in to NELC.

Hello Everyone.

It would seem that at last there is light at the end of the tunnel! We don't know exactly when our W.I. meetings can resume but hopefully it will be later this year and possibly before Christmas! Whatever month it is it will be party time and we will be celebrating with food, drink and lots and lots of talking!!!

Keep smiling and socially distanced talking.

Take care and keep safe.

Best wishes,

Jenny Short (01472 882136)
