Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

At the last meetings, various planning applications were discussed, and these are shown in the minutes of each meeting which are published on the Parish Council's website.

The final snagging works to the play area resurfacing have now been completed and works have also now been carried out at the Pavilion, with repairs to roofing, guttering etc. and some remedial works inside. The Council is hoping to utilise this building more in the future especially around events on the field etc.

The Platinum Jubilee Celebrations have now been scheduled and you will see posters and advertisements for this elsewhere in the Newsletter, around the Village and on social media so please keep a watch out for these.

The Council has also successfully bid for some national lottery funding and has received funds for some new equipment at the playing fields with a zip wire top of the list for installation. The Parish Council now has an ongoing commitment to enhancing the park area for residents.

Also, for the Summer, the Council is organising holiday clubs for one session a week in the Summer holidays at the park. These will be free for local children to attend and further details will be in the next edition of the Newsletter.

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 847 Andy Cundell Andrew.cundell@humberside.pnn.police.uk

PCSO 7877 Becky Wildman rebecca.wildman@humberside.pnn.police.uk

The Friends of Stallingborough Church April 2022

It was really encouraging to see so many folks give their support at the jumble sale held on Saturday 26th February. A special thanks to the ladies who provided the tea and home made cakes.

Our efforts towards getting the church approach road repaired are continuing and if anybody can help with materials and equipment towards this end, then we would be extremely grateful.

The next priority is to have an accessibility toilet installed in the church, which is of course essential to serve the needs of a wider community.

An open meeting with Rural Dean Kimberly Bohan concerning the future of the church was held in the church on Saturday 12 February. At this meeting the current status of the church was the subject of some dispute.

If you require more details of these discussions, then send us an e-mail.

fosc2021@outlook.com.

Our next event is the first in a series of historical talks on a variety of subjects that we hope will become a regular quarterly feature.

Beginning with an illustrated talk by FOSC:

“ Stallingborough in Tudor Times”

Wednesday 25 May in the Village Hall, 7.30pm

Refreshments will be provided and all donations to FOSC are welcome.

WOMENS INSTITUTE

Hello Everyone,

Isn't it lovely to see all the spring flowers and hear the birds singing – spring has sprung!

I think that everyone enjoyed our 100th birthday party in January. We had a delicious buffet and were entertained by Meadowsong a ladies choir. Our celebratory cake was beautifully decorated by one of our members, Glenis Foster-Isaacs.

The handmade flowers are now all attached to the large planter in the Community Garden (and are still attached after the three named storms we had recently!) It is a wonderful, colourful sight to behold, congratulations to all who contributed to the project, it was well worth the sleepless nights!

On February 3rd Father Herbert Fadriquela told us about his work as the Humber Port Missionary at Immingham, he is also the chaplain for the ports of Felixstowe, Harwich, Grimsby, Goole, Hull, Ipswich and South Killingholme. He welcomes the seafarers, 90% of the things we use come to us by sea and there are 1.5 million seafarers around the world. He explained that the seafarers are some of the most unsung of workers in one of the most dangerous and lonely jobs. They face many difficulties including shipwreck, piracy and being forced to be away from home for up to twelve months. Often there is no internet connection and their ship can become like a prison. Father Herbert's job is to provide practical, spiritual and welfare assistance.

We were let loose with clay at our March meeting- Pam Harrison showed us how to make hears, flowers etc to decorate and hang either indoors or in the garden. Most ladies rolled out clay and produced decorated items which Pam took home to fire and will be returned in time for our next meeting. It was a most enjoyable evening with lots of talking- just for a change!!

It is our AGM on April 7th, as there will be a lot of business we won't be having a speaker. However, we will be holding our annual competitions on this evening and the categories are all connected to the Queen's Platinum Jubilee Celebrations:-

- 1, A4 poster, any medium.
2. A small posy for the Queen
3. 4 cup cakes

The winner of each category will be awarded a £5 M&S gift card and the member with the most points over all three categories gets the honour of polishing the WI Rose Bowl for a year!

Local elections on Thursday 5th May mean that the village hall will be used as a Polling Station so we are going on a visit to Immingham Museum for a guided tour and refreshments afterwards.

Our meeting on Thursday 2nd June has been cancelled because of the Queen's Platinum Jubilee celebrations including the lighting of the beacon that evening. We will be having our meeting on Thursday 9th June instead when we will be holding a 'Recipe fit for the Queen' evening when members will bring copies of their recipe and samples for others to taste. At the end of the evening the recipes will be collected in and made into a booklet.

We meet in the village hall at 7.30pm on the first Thursday of each month (except January and May).

Best wishes,

Jenny Short
