## Parish Council Notes

The Council is now back to meeting in person and the meetings for May, June and July have all now been held in the Village Hall as before. Start of meetings is 7.30 pm and residents are welcome to attend once again—the venue is covid-secure and restrictions upheld where appropriate.

At the last meetings, various planning applications were discussed, and these are shown in the minutes of each meeting which are published on the Parish Council's website.

The Council now has an applicant for one of its casual vacancies and will be looking to coopt a new member in September hopefully.

Refurbishment of the play area on Station Road has been the main focus of attention, with a contractor now appointed to completely repaint the equipment during August. This will take a week and the playground will be fenced off and not available for use during that week. Social media etc. will update the particular week when the date is set. This is of course weather dependent. All repair works will also be undertaken at the same time. Trees adjacent to the playarea have been trimmed and bushes re-

### NOTICE OF WORKS TO STALLINGBOROUGH PLAYPARK

The Parish Council is refurbishing the playpark within the next 4/6 weeks with a full repaint and refurb of all equipment and then new wetpore safety surfacing will be installed. This will mean the facility will be closed for a week on a couple of separate occasions. Apologies for any inconvenience but the works are essential.

## How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town or parish councillors or through the One Voice committee.

## **GENERAL INFORMATION FOR RESIDENTS FROM NELC:**

Grass cutting of verges will be carried out by NELC this Summer every 3 weeks and this was confirmed by NELC.

The layby on Riby Road is the subject of a permanent stopping up order and will be permanently closed officially when the Order takes effect.

The Council is being affected by staff having to self isolate and is redeploying some of its staff to ensure that services are maintained at their usual levels. Priority is being given to waste services which at the moment have remained unaffected with regard to collecting waste.

However, the delivery of new bins to new households or replacement bins to replace those damaged or stolen do now have a considerable back log and the wait for that particular service is currently around 6 weeks. NELC is doing all it can to reduce these waiting times.

### **GRANT AID:**

Both the Parish Council and the NELC Ward Cllrs. for Stallingborough would encourage any village groups/organisations to make requests for Grant Aid. The grants from the Parish Council should be of benefit to those living in the Village but the Ward funding is available to any groups in the actual Immingham Ward, including Stallingborough Village.

To submit a request for Grant Aid from the Parish Council please send it through to us at [clerk@stallingboroughparishcouncil.com](mailto:clerk@stallingboroughparishcouncil.com) or call 07494 577661.

## BONFIRES

Would all residents please be considerate when lighting bonfires etc., especially now that the lighter nights are with us. If you could be mindful of others enjoying their gardens, putting washing out and only light bonfires when the winds are low and they won't inconvenience any nearby neighbours.

Many thanks—The Parish Council

### Stally Youth Club

Good news we now have a new club membership team

After five to six years as club chair it is time to hand over the reins to a new team I will admit I have enjoyed the experience with many fond memories

There are several people and groups who I should thank

The parish council

Immingham town council

The YMCA whoes staff have been very helpfu! and kept things moving with unlimited help and materials

Several members mothers who came into help that was much appreciated

The Green Man for there excellent fund raising

The youth club members themselves They where polite friendly and happy to take part with enthusiasm with everything we did (but increadably noisy at times) (though that might because I am getting old)

Lastly and more importantly John Hanna and Maggie who turned up every week and gave 100% As I had convinced them to help for a few weeks at the beginning then stayed for the duration The club would not have survived which out them

So that just leaves me to say Lizzie and Dan good luck and much success

Ben Watcham

### STALLINGBOROUGH CHURCH

It seems likely that St. Peter and St. Paul Church will not re-open for regular church services once the pandemic ends. This seems inevitable as the regular, mostly elderly congregation has diminished to single figures, elderly, it is simply not viable to keep it open. Following the closure of the Primitive Methodist chapel many years ago and the recent closure of the Wesleyan Chapel it will mean there will be no suitable place for Christian worship which began in the village 1400 years ago. The first people to settle here were the Saxons. They built a church on the site of the present church- a small plateau knoll which stands 21 feet (O.S bench mark) above the high and low Humber tides. At neap tide the estuary once regularly flooded the extensive marshland to the North of the church. The knoll prevented the egress of flood water to the south of the church and here the Saxons, the first people to settle here built their village. Their church, built Circa 780. A.D. was the centre of this... Chronicles in the Lincoln Archives record that Offa, the Christian King of Mercia and Wessex worshipped here in 786 A.D.

After the Battle f Hastings William the Conqueror gave extensive lands at Stallingborough to Norman de Arci, one of his foremost allies. He built a Manor House near to the church and converted the Saxon church into a Norman building which fell down in 1746/ An entry in the Lincolnshire Topographer reads 'Stallingborough Church being built of bad materials not withstanding the care and attention of the inhabitants fell down on a very calm day.'

The village was granted a 'brief' by parliament n 1753 which enabled the church to impose a local tax to fund the building of the Georgian church. It was twenty years after the 'brief' that enough funding was available to begin to build.. The present church is a treasure trovd of historical artefacts and data. These include memorials to the famous Ayscough (Askewe) family.

It will be very sad to witness its closure..

John Taylor.

**A free booklet about the church is available from 131, Station Road.**

Hello Everyone,

We had hoped to restart our meetings on July 1<sup>st</sup> but a four week extension of the Covid restrictions put a stop to that!

Now our possible restart date is Thursday 5<sup>th</sup> August- all members will be contacted before this date to confirm (or not!) It will be a further month of news to catch up with- better make sure that we have plenty of tea, coffee and cake to hand!!

In the meantime please keep safe and socially distanced talking!

Take care and keep smiling,

Best wishes,

## PRODUCE SHOW

SATURDAY SEPTEMBER 4<sup>TH</sup> 2021

We are hopeful the Produce Show will be held in the village hall on September 4<sup>th</sup> 2021.

We have tried to think of all the covid restrictions as they are at the moment .

They may change but we have had to make decisions.

We have decided there will be no entry fee this year, but a donation box will be out for anyone wishing to help with financing the show. Exhibitors will still stage their exhibits on the morning on the show before 11 o'clock. We are not sure at this time if we will have to limit the number in the hall, but we can decide nearer the date. We have also decided not to have a raffle this year or serve refreshments. Trophies will still be awarded and prize money given.

We want to make it as enjoyable and safe as we possibly can, and hopefully we will have lots of entries.

The schedules will be delivered at the beg of August, to all houses in the village.

David Holmes and Lisa Dolan will keep you updated on Stallingborough Face Book.

Marion Moorcroft.
