Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

At the last meetings, various planning applications were discussed, and these are shown in the minutes of each meeting which are published on the Parish Council's website.

The Council has now completed its refurbishment of the Pavilion in the playing fields and has now had a new garage door fitted. Cllr. Ian Sears has now taken on the light grounds maintenance of the play park grass cutting and the village hall grounds and community garden tidying and equipment has been purchased for him to do this. By the Council doing the work, funding saved will now be put to village projects etc. to enhance the life of the Village. These will be done in conjunction with the Shaping Up Stallingborough Group.

The play park received its annual inspection and, thanks to the refurbishment works carried out by the Council, passed the inspection with flying colours.

The Village Hall has been scheduled for redecoration and this should be carried out over the next few weeks.

The Council has now completed all of its annual return paperwork for the external auditors and this has now been submitted to the auditors, PKF Littlejohn Ltd. All of the information is available on our website, including the dates for public inspection of the accounts should any resident wish to do so.

All information is on the PC website at

August/September 2022

Our work to repair the approach road to the Church is continuing. Any help with financial assistance, materials or expertise would be greatly appreciated.

Many thanks to all those who came to give their support at the history talk on 25th May "Stallingborough in Tudor Times". Sufficient money was raised to cover the cost of producing the second edition of the booklet "Church of St. Peter and St. Paul Stallingborough".

The Church will be open Saturday 17th September and Sunday 18th September from 10.00 till 4.00 for an Art and Craft Fair, to coincide with the Scarecrow Festival featured on the SUS page in this edition of the Newsletter.

The second edition of booklet "Church of St. Peter and St. Paul Stallingborough" will be on sale at this event and importantly, this second edition contains an article about the Enclosures of the 18th century which had a profound effect on the social fabric of Stallingborough.

We are also proud to welcome once again the Bellringers from Barrow who will be ringing the 4 bell changes from 2.00 pm on the 18th September. Not to be missed.

Once again, The Grimsby and District Pipe Band, were absolutely fantastic, with the distinctive sound of the bagpipes. It really made the night special and one to remember.

Thank you very much to Julia Venes, Kathy Peers and Kim Poulton for making the Queens Beacon Tarts. They were delicious!

We would like to thank Teresa Jackson for lighting the beacon this year. She has lived in the village for over 40 years and has been a nurse for 59 years. Her 3 children attended Stallingborough C of E Primary School and then onto Healing. She has done lots for charity and went to a garden party at Buckingham palace with Will and Kate.

Hello Everyone,

We had a lovely evening on June 9th tasting 'Recipes fit for the Queen'. Members had made various dishes and placed a copy of the recipe they had used next to their dish. There was lots of eating, drinking tea/coffee and talking- all of which we are quite good at!! At the end of the meeting the recipes were collected in and Christine has kindly made them into a book, 'Stallingborough Women's Institute Recipe Book Volume V'.

On Thursday 7th July the Reverend Julie Donn gave us an illustrated talk about 'Animals in Wartime'. It was absolutely fascinating, none of realised what an important job animals have done during various wars. Horses, pigeons, dogs, cats, dolphins, seals, glow-worms and even slugs!! Glow-worms were used in the trenches during the First World War, a few were put in a jam jar and the light they emitted was enough to read by in the darkness. Slugs are very good at detecting mustard gas which saved a lot of soldiers suffering from the effects of it.

Our Summer Supper will be on Thursday August 4th in the village hall, we've long given up on barbecues because no matter which month we chose from June-September it always rained on that evening!!

On Thursday 1st September the 'Community Champion at Tesco's', Jenny Fallon, is coming to talk to us about her work.

On Thursday 6th October Sam Cass is going to talk to us about the benefits of practising yoga.

A big thank you goes to Carr Lane Nurseries for replanting the Community Garden, it looks glorious, a real asset to the village.

We meet in the village hall at 7.30pm on the first Thursday of each month (except January and May)

Best wishes,

Jenny Short 01472 882136

WOMENS INSTITUTE

*Queens Platinum
Jubilee 2022 and
Beacon Lighting*

Thank you for all the villagers who came to support the Beacon lighting on the 2nd June 2022. The evening included a wonderful singing tribute to Dame Vera Lynn by Lorie, lots of dancing, games and food. A special thank you goes to all those who helped on the night or behind the scenes. You know who you are!

On May 24th, Stallingborough C of E Primary School, Stallingborough Parish Council and Shaping Up Stallingborough, came together to plant a young sapling oak tree which the village can watch grow into a mighty Oak. This was planted on the playing field, to mark the Queens Platinum Jubilee. Trevor Crofts, who is vice chair on the Stallingborough Parish Council, spoke about the Queens Jubilee and asked the children from Stallingborough C of E Primary School some tricky questions about the queen. He was very impressed by their enthusiastic answers and said "They have obviously been working hard and knew so much about the Jubilee". Trevor unveiled the plaque which reads: "Plant A Tree For The PLATINUM JUBILEE 2022 – Supported and organised by SHAPING UP STALLINGBOROUGH and the PARISH COUNCIL".

The Big Jubilee Picnic

Unfortunately, the Big Jubilee picnic had to be moved indoors because of the unpredictable British weather but this did not dampen our spirits. Everyone packed into the village hall and had lots of fun on the bouncy castle, games in the marquee and picnics. A very special thank you to Dave Burns who volunteered to entertain the children with his comedy magic act, free of charge. Thank you for being such a good sport! Thank you Julia Venes and Gemma Wesley for everything you have done. You are superstars *****

We didn't get to use the pavilion which has been cleaned and decorated by Shaping Up Stallingborough. It looks brilliant, thank you guys. There is still a little more to clean up so if you would like to help, look on their Facebook page for upcoming dates. The playground is looking so much better now that Ian Sears is working his magic. We are noticing the village looking a lot cleaner too with so many people litter picking. It has not gone unnoticed. Thank you for all your efforts and it is great that people are working as a team. Well done everyone!!!
