Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

At the last meetings, various planning applications were discussed, and these are shown in the minutes of each meeting which are published on the Parish Council's website.

The Council has now coopted a new member, Cllr. John Scott, and there was one existing vacancy remaining, but a candidate has come forward to be considered for cooption at the December 21 meeting. If this candidate is successful, it will bring the membership back up to its 9 members.

Refurbishment of the play area on Station Road has now been completed, although there are aspects of the new soft surfacing which the Council isn't happy with and is looking into. A recent playground inspection has taken place and the only remaining action is to have the small gates to the area repaired. The trim trail is now fully installed and the Council is looking at further improvements to the playing fields with possible refurbishment of the Pavilion building being considered. A full tree survey has also been commissioned on trees on the playing field and the results of that survey are awaited.

The Remembrance Day service was held on Sunday 14th November and afterwards, for the first time, the Council welcomed members of the public back to the village hall for some refreshments.

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and also step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 1355 Dan Hassan daniel.hassan@humberside.pnn.police.uk

The Friends of Stallingborough Church

The Friends of Stallingborough Church is a Constituted Group founded in October 2021, by a handful of Stallingborough residents following the interest shown at the September Open Day at the church.

The Aims of the Group are set out in the constitution and are as follows:

To preserve the structure of the church and to continue the consecrated function of the church, wherever possible.

To work towards providing additional necessary conveniences required for a broader congregation. (this includes an “Accessibility Toilet” and ramps.)

To prepare the church for community activities both secular and religious

To develop a wider awareness of the historical significance of the church and the village with connections to the Tudor martyr Ann Askew.

If you would like to join us in our efforts towards these ends, (especially if you have a historic interest in the village) then we would be delighted to hear from you.

With regards,

The Secretary, Friends of Stallingborough Church

Our Key Priorities

- To encourage community events
- To encourage pride in our community
- To encourage care of the environment
- To encourage knowledge and history of the village
- To encourage participation from all

Moving Forward

Our committee has lots of plans to make our village better including environmental issues and village events but we also want your input! Into the new year we will hold an open meeting for residents but if you have any ideas before then, please get in touch via the details below.

We Need You

Our committee is looking for a treasurer. If you have expertise in being a treasurer, accounts, or are just interested in joining our group, you might be able to help us. Message the Facebook page or email gemma_wez22@hotmail.co.uk to express your interest in helping our new, community group.

Hello Everyone,

We are still enjoying being able to talk to each other face to face at our meetings.

At our October meeting Emma Green with her assistant Jo gave us an hour long demonstration on 'Make Up For Older Ladies'. I think it was a success as the members sat watching quietly throughout the whole demonstration!! Emma and Jo gladly answered any questions.

Local author Lynette Cresswell came to talk to us in November about how she became a published author- somehow she managed it whilst working and raising six sons! She gave a very interesting talk. Her best seller with our members was 'Hoglets' Christmas Magic', a beautifully illustrated book for young children.

Our meeting on Thursday 2nd December is to be a Christmas Craft meeting making small wreaths followed by a Faith Supper.

We do not have a meeting in January but will be celebrating our 100th birthday with a party on Thursday 20th January 2022. Plans are afoot to decorate the large planter on the Community Garden with hand made flowers to mark the occasion.

On Thursday 3rd February 2022 we have Father Herbert Fadriuela coming to talk about his work as the Humber Port Missionary which should be very interesting.

Pam Harrison is giving us a hands on ceramics evening on Thursday 3rd March 2022-sounds like fun!!

Merry Christmas and a Happy New Year to you all,

Best wishes,

Jenny Short

Heating your home

Keep warm and safe

When heating your home be sure you keep your heat source away from curtains and furniture.

- For wood and coal burning fires or stoves, the chimney should be swept according to the type of fuel used. To find a chimney sweep in your local area, please visit: www.nacs.org.uk

Remembrance Day

At 11am on Remembrance Sunday, approx. 100 people turned out to commemorate and remember all those who died or were injured in military conflicts, since the onset of World War I. In particular we remembered those from Stallingborough, for which these memories still exist around the boundaries and church, in our village.

The event took place in the Remembrance Garden, looked after by the WI and along with the plaques, now as a Lost Soldier.

It's important we continue to share with our younger generation, so that they may continue to remember the ultimate sacrifices that have been made for our freedom. I hope you also noticed the poppies this year, on the lamp posts along Station Road.

Lest we Forget

The village CofE Primary school and the Youth Club, took part by laying a wreath and reading out poems. These were read by Harry Hufton and Joseph Scott. Harry and Joseph are pictured below, with Harry's little brother Freddie Hufton.

They are pictured alongside a fabulous wreath created with hand prints, by all the children at Stallingborough CofE School, as they continue to remember. Please drop by and have a look.

Continued over.....

The Parish Council wreath was kindly laid by David Bringhurst from Station Road, who was in the Royal Engineers and the Royal Logistic Corps, who was proudly wearing his war medals. Jenny Short also laid a wreath on behalf of the WI.

Everyone was invited back to the Village Hall for drinks and refreshments, where a selection of war memorabilia was put together by Hannah and John Scott. A big thank you to them for setting up the hall and ensuring the selection of sandwiches and cakes arrived on time. They were certainly appreciated.

The WI kindly helped with serving the tea and coffee to about 60 people, who continued to talk and remember the history of our freedom. The refreshments were supplied by the Parish Council. A selection of photographs and the poems are printed below.
