Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met as usual for October and November and the November meeting saw a presentation from representatives regarding the proposed Green Energy Terminal Project at Immingham. Details were discussed and a timeline for the application presented.

A quarterly meeting has been held with the new Traffic Team Manager at NELC and any outstanding highways matters carried forward for NELC's attention. The Parish Council has requested that attention be paid to PROW surfaces within the Parish.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

The ongoing problems with heating at the Village Hall have been addressed with the pipework for the boiler now redone and all above ground to ease repairs etc. The old system appeared to have a leak on pipework below ground and hopefully this will now help the issue. Some minor repairs to the boiler are also required and these will hopefully be done shortly.

Some repairs to the trim trail on the park are awaited and SUS Stallingborough are working hard to improve facilities on the playground and park area.

All information is on the PC website at www.stallingboroughparishcouncil.com

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

Stallingborough Produce Show

We once again had a perfect day for the show. Not quite as many entries as last year, but it has been a very difficult year in the gardens. We still had a reasonable amount of vegetables and the cooking was of a very high standard.

It is good to see the amount of talent we have, with some wonderful craft work and photography. The children did some amazing work, maybe next year more parents can persuade their children to enter the classes.

We think there has been a Produce Show in the Village for about 100 years. It was originally run by the WI and I have a photograph of prize winners in 1926. I am not sure when it was handed over to the Produce Show Committee but I have been the Secretary since 1986.

I hope next year we can make it the best show ever with lots of entries.

We will soon be starting to organise the show for 2023 and we will let you all know the date etc.

Shaping Up Stallingborough

A round up of 2022

Thank you all for your support with our events this year. We've had so many and it has been lovely to see lots of community spirit. In case you've forgotten, this is what we have achieved this year: Easter Fayre, Jubilee Big Lunch, Secret Mission, Scarecrow Festival, Halloween Hunt, many litter picks and lots more behind the scenes! We also have the snowman building and wreath making events happening in December.

Wreath Making

Our wreath making is now sold out – thank you for all of the interest. Perhaps next year we will have to have multiple dates available.

Snowman Building

Do you want to build a snowman? Get in touch to purchase your indoor snowballs for £1 and get creative! Create a snowman and display in your windows (scenery optional) Then enjoy a walk around the village to see them all. 19th – 31st December.

Remembrance Sunday is a national opportunity to remember the service and sacrifice of all those that have defended our freedoms and protected our way of life.

We remember the Armed Forces, and their families, from Britain and the Commonwealth, the vital role played by the emergency services and those who have lost their lives as a result of conflict or terrorism.

Last year was 100 years of the remembrance tradition when people began wearing the poppy, three years after the First World War ended.

In particular we remember her late majesty Queen Elizabeth II who was the commander in chief of the armed forces and patron of the Royal British Legion spanning over 8 decades,

Poems recited by children:

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.*

The Last Post is sounded.

The Two Minute Silence is observed.

Reveille is sounded.

The Kohima Epitaph is recited (optional):

*When you go home, tell them of us and say,
For your tomorrow, we gave our today.*

This year we were blessed with a small brass band who enlightened us with beautiful music.

Thank you to Chris Ringrose, Sam Ringrose, Carl Robinson and David Clarke who played The Last Post and Reveille.

The Village Hall was decorated and refreshments provided by Stallingborough Parish Council. Everyone enjoyed being able to mingle and appreciated each others company.

Thank you to all who came to support.

Next year, we would like to display items, photo's and stories from our own area, in the village hall. If you would like to share these with us please contact Cllr Hannah Scott at cllrhscott@stallingboroughparishcouncil.com. Also, if you have any old military uniforms we could use to display on mannequins, it would be greatly appreciated. Thank you x

What's to come in 2023

We also have a couple of exciting funding opportunities coming our way and we will share these when we can. WOMENS INSTITUTE

Hello Everyone,

Once again two months have flown by and it's newsletter time yet again!

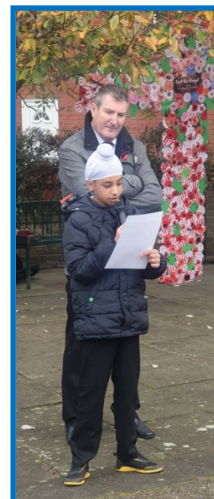

Our chair based yoga session with Sam Cass at our October meeting was very enjoyable, it was so relaxing that many of us could have fallen asleep.

Five players from the City of Hull Band entertained us at our Harvest Supper with a wide variety of music. Everyone enjoyed themselves and ate an apple pie supper in the interval. It was so good to hear live music in the village hall again.

Unfortunately, 'Butterflies' of Scartho were unable to come to our November meeting because of illness but will be coming next year at some point. One of our members, Barbara Williams, held a session on hand reflexology and massage which members tried on themselves or others and found it very therapeutic. This was followed by tea/coffee, cake and, naturally, lots of chatting!

We will be laying a wreath at the war memorial on the Community Garden on Remembrance Sunday and helping serve refreshments in the village hall after the ceremony. Many thanks to Carr Lane Nurseries for replanting the garden in time for this important day.

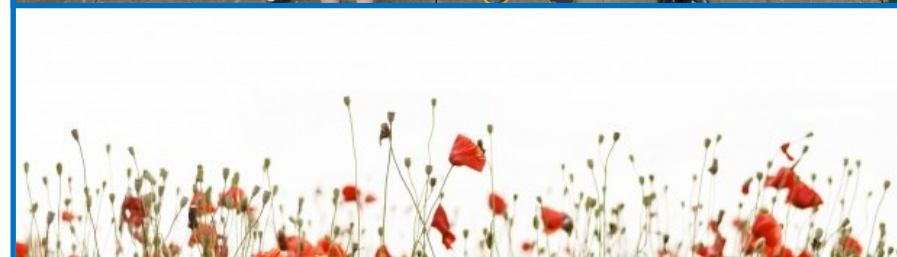

On Thursday 1st December we will be doing all sorts of Christmas crafts including small gift boxes, crackers and tree decorations followed by a Faith Supper.

Angad Dhaliwal (Year 6)

Megan Foster-Isaacs (Year 8) represented Healing Academy.

Thank you to all the children at Stallingborough C of E Primary School who coloured in poppies and drew around their hands. It was a lovely personal touch that brightened up the area.

A special thank you to the children who wrote and read their poems in front of a large crowd. You are very brave and we really enjoyed seeing the young people remember those that have gone before us and those who are still fighting for liberty.

Lucy Mcloughlin (year 6) Gabriel Cunningham (Year 6) Eden Armitage

At this meeting we will be collecting for the Seafarers Mission at Immingham. Many of the seafarers will be away from their families, friends and homes over the Christmas period and , hopefully, our gifts will make them feel that they are not forgotten

We don't have a meeting in January but are going out for a celebratory lunch time meal at Stallingborough Grange on Thursday 19th January .

Our first meeting of 2023 is on Thursday 2nd February when we will have Stuart Garfoot talking about ' Canal Art', he will be bringing items to illustrate his talk.

On March 2nd retired fireman Ben Watcham will be coming to talk to us about the work of the Fire Brigade.

If you have any questions about anything W.I. related please feel free to contact me.

I'll close by wishing you all a happy and peaceful Christmas and a good 2023.

Best wishes,

Jenny Short 01472 882136

On Sunday 13th November 2022 Stallingborough Parish Council held a Remembrance Day Service at the WI garden in memory of all those involved in war.

Each year more and more parishioners are attending to pay their respects. Stallingborough Parish Council would like to thank everyone for attending and all those involved in organising and cleaning up and the WI serving refreshments.

Cllr Trevor Crofts (Vice Chair) lead the ceremony and Cllr Paul Gilbert (Chair) spoke briefly about those who had fallen and were still fighting from around our village and nearby areas. Wreaths were laid (see below) by Cllr John Scott on behalf of the Parish Council, Jenny Short on behalf of the WI and Charlotte Wilson on behalf of Stally Youth Club.
