Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in December 2023 and then again in January 2024 at which it set its budget and precept requirement for the coming financial year of 24/25.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

The Council has been formalising the arrangements with its allotment site and its current tenants and will have a couple of new tenants taking on plots shortly. If anyone wants to put their name on the waiting list for one of the allotments, please let the Clerk have your name and contact details please.

There is still a vacancy on the Parish Council and anyone who might be interested should come along to a future meeting and sit as a member of the public and observe what work the Parish Council does and what it gets involved in. Then, if they are still interested, they can put their names forward to be considered for cooption.

All information is on the PC website at www.stallingboroughparishcouncil.com

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 847 Andy Cundell andrew.cundell@humberside.police.uk

News

It is with great sadness that I have to announce the death of our Chairman, Mike Gathercole. Mike had been a diligent Chairman of the Partnership for many years as well as being Chair of Goxhill Parish Council. For his warmth and generosity, he will be greatly missed.

It is uncertain as to whether the Easter Special will run this year. Please keep an eye on the station notice board and the windows of the Village Hall for any future information.

Best wishes, Martin

CHURCH NEWS –
ST PETER AND ST PAUL,
STALLINGBOROUGH

December was a busy and rewarding month at the Church.

We had 4 successful services over the Christmas period. December 6th the school children came and had their Christingle service in Church. They all sang beautifully and it was lovely to see the church full. Our next service was December 10th when we had a Carol Service, we were very lucky to have Wilhelm to play the organ and Jo came along to help with the singing another service enjoyed by all.

Norman arranged a carol service on the 19th December for the residents of the vicarage, Kevin Onn took the service it was well attended and again enjoyed by all.

Our last service was a Crib Service this was on December 23rd.

We had quite a few families attend this service and the children all helped to place the Nativity figures in the crib. We sang lots of Carols and hopefully it made us all think about the true meaning of Christmas.

CHURCH NEWS –
Continued...

We are hoping to have at least one service over the Easter period.

We are a bit more positive about keeping our church open, but we do need support from the village.

We welcome enquiries for baptisms, weddings, and funerals.
