Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met as usual for December and then January 2023 with the January meeting dealing with budget setting and precept setting for the coming financial year 23/24..

A follow on quarterly meeting with Highways from NELC will be held at the end of January and any outstanding matters followed up.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

The Parish Council has now arranged for two new boilers at the Village Hall to go with the new pipework which has now been installed. Heating problems have persisted for some time now and so the new boilers should solve the problem and ensure the Hall is warm for hirers. This work should be done by the end of January 2023.

Some repairs to the trim trail on the park are awaited and SUS Stallingborough are working hard to improve facilities on the playground and park area.

All information is on the PC website at

Grants

Thanks to the East Coast Community Fund, we secured a grant which we are hoping to use to purchase new play-ground equipment and picnic benches. We plan to order a recycled plastic train which consists of an engine, and 3 carriages. One of the carriages is designed to be accessible for wheelchair users and another is a planter carriage. In addition, we have received £500 from ABP which will also be put towards the costs for the new equipment.

As part of our becoming station adopters, we have been able to secure a grant from EMR for 3 planters on the station. We plan to apply for 3 more in the upcoming weeks and will be looking for sponsors for the plants to fill them.

Summer Events

This year we would like to put on some family events in the summer holidays. Our plan is to hold one event each week. Our ideas so far include: Ecology, family sports, crafts, pond dipping, If you have any other ideas or contacts who might be able to help us put on an event please get in touch.

MILLION POUND CHALLENGE IN NORTH EAST LINCOLNSHIRE

Between us as part of the **Later Life Partnership**, we are aiming to ensure that all people over the age of 60 are receiving all of their full benefit entitlements.

Do you know that a high percentage of older people living within North East Lincolnshire are not claiming their full entitlements to Attendance Allowance, Council Tax and Housing Costs and pension credits?

Are you one of them? Don't be!

Why don't you have a full benefit entitlement check done with a trained advisor to check you are getting everything you are entitled to... it doesn't take too long.

Do not miss out... especially with the current rising costs of living and fuel bills. Give us a call today on the below number to arrange for an advisor to call you back to discuss further. It really is as easy as that.

Our December meeting was fun, we enjoyed ourselves sewing, making crackers, gift boxes and talking lots! The faith supper was delicious with a wide variety of tasty food. We will be going to Stallingborough Grange for our celebratory meal at lunchtime on Thursday 19th January.

Our first meeting of 2023 is on Thursday 2nd February when Stuart Garfoot will be talking about 'Canal Art', he will be bringing items to illustrate his talk.

Retired fireman, Ben Watchman, will be coming to talk to us about the work of the Fire Service on Thursday March 2nd.

Our meeting on Thursday April 6th will be our AGM when we hold our annual competitions, the overall winner gets the honour of polishing the rose bowl for a year!

Stallingborough Parish Council

Budget and Precept setting for 2023/2024

The Parish Council considered its budget for the coming financial year at its January 2023 meeting and wishes to continue providing improved facilities for residents in the Village. The Council did acknowledge that it has possibly under-precepted for the last few years in an attempt to keep costs down for residents but a programme of improvements to the playground and playing field, the Pavilion building and the Village Hall has resulted in the Council using the bulk of its reserves and still with more upgrading of facilities to be done, the Parish Council has resolved to increase the precept by a substantial amount for this coming year.

Budget for 23/24

Administration £4,010

This includes insurances, subscriptions/memberships to local county associations, office charges including telephones and computers etc., the website, compulsory audit fees, training and courses and some footway budget.

Staffing £17,500

This covers 4 staff members and salaries are not yet by the Parish Council but nationally and also any PAYE, pensions etc. is included in this sum

Grant Aid/Newsletter £2,140.00

This covers any grants to local groups the Council may make and also the printing and distribution costs of the Parish Council Newsletter which is produced 6 times each year.

Continued.....

Village Hall costs £10,400

This covers all utilities such as heating, lighting and electricity, water bills, any business rates, insurances for the building, all cleaning materials costs, hygiene services, repairs and maintenance and equipment costs and commercial waste disposal.

Bar costs £275

This is a minimal amount allocated as the bar funds itself usually with stocking and staffing costs met by the proceeds of the previous bar hirings.

Playing Fields/Pavilion £4,450

This bulk of this is the grass cutting on the playing field, but also covers water and electricity costs for the Pavilion and any repairs/maintenance to the playground and trees etc., including an annual playground inspection.

Capital/Special Projects £14,200

These include, for the coming year, a fund for Shaping up Stallingborough to use for projects/events, essential tree safety works to the playing field, further pavilion refurbishment, decorating in the Village Hall, playpark improvements, improvements to some land adjacent to the allotment site and payment of contractors to carry out maintenance in the Churchyard each month.

TOTAL BUDGET FOR STALLINGBOROUGH £52,975.00

Continued over.....
