## Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in September but not in August as this is usually the Summer break. Other meetings were also held such as Town and Parish Liaison Committee and ERNLLCA District Committee with the Council represented at these through either Council members or the Clerk attending.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at [www.nelincs.gov.uk](http://www.nelincs.gov.uk). You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

Ongoing improvement works to facilities have been continuing with further works to the Pavilion, the new ceiling tiles have now been installed in the Hall, extra tables purchased and some more electrical sockets in the Hall. There is also now a proper baby change station installed in the Village Hall.

The Council is also formalising the arrangements with its allotment site and starting a new waiting list for those interested in taking an allotment and confirming insurance arrangements for those on the site.

All information is on the PC website at  
[www.stallingboroughparishcouncil.com](http://www.stallingboroughparishcouncil.com)

## **How you can help**

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 855 Liam Hopwood [liam.hopwood@humberside.pnn.police.uk](mailto:liam.hopwood@humberside.pnn.police.uk)

October 2023

I hope our readers have noticed the improvement along the line of late.

Everybody comments on the comfort and quietness of the new EMR Class 170 trains with their pleasing green upholstery.

The station features display with the new logo has been installed in the eastbound waiting area and supplies some very interesting facts about all of the stations along the line.

In reply to folks who ask about fares not being collected on journeys, there are a number of reasons why fares cannot always be duly collected by the train guard and without wishing to appear sanctimonious, the answer is of course, that the onus is on individuals to purchase a ticket wherever possible on alighting the train.

Incidentally, following on from that, the partnership submitted a full response to the Transport Focus consultation expressing our opposition to proposed Ticket Office closures.

**Scarecrow Festival**

Thank you to everyone who made a scarecrow, bought maps and refreshments, and voted for your favourite. Thanks to Stallingborough Village Store and residents for your donations of prizes. Your first-place winners also received a voucher and a trophy which will be given out each year to the best scarecrow. Thank you to those who donated cakes, especially to Beccy who made the most amazing cakes for our refreshments stand.

As always, it was lovely to see so many people walking around the village and enjoying the scarecrows. And the highlight of the weekend was Eddie Crow's band who delighted us with their music and raised over £50. In total we raised over £140 which will be put towards future events etc. for the village.

Hello Everyone,

Thanks go to Christine for writing our W.I. article for the last Newsletter on my behalf. We enjoyed two cruises on our holiday, one to the Isle of Wight and one back again to the mainland two weeks later! It all seems a long time ago now!

Our outing to Doddington Hall was brilliant- everything went to plan and we all enjoyed our visit. The Hall itself is fascinating and the guides in each room were friendly and very informative.

We visited the 'Tin Bungalow', Pelham Road, Immingham on the 20<sup>th</sup> July, it was really interesting with lots of, "we had one of those!", "I remember that!" etc. It is well worth a visit and not too far to go.

Another enjoyable event was our Summer Supper on August 3<sup>rd</sup>-lots of eating, drinking (alcoholic and non-alcoholic), a quiz and mostly lots of talking!!

On Thursday 7<sup>th</sup> September Dr Nicola Crewe from Lincoln University came to talk to us about 'DNA and Forensics. The talk was fascinating, we learnt quite a lot about DNA profiling and were very quiet which means we were all enthralled!

On Thursday 5<sup>th</sup> October Annette from Age UK is coming to give us details of all the work that they do for older people, it should be very informative.

**PRODUCE SHOW**

We had a wonderful turnout for this year's show, more entries and more exhibitors. It is certainly encouraging for the committee that so many village people, their families and friends enter our show. We also had entries from other villages,

It is an open show so anyone can enter. We hope to encourage a few more children to enter but those that did had some amazing entries. Well done !

We will shortly be having a meeting to arrange the date of the show next year. I will put all the information in the next newsletter. Let's hope the sun shines again.
