Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in June and July but won't now meet for a scheduled meeting during August as it has a summer recess period. If any essential planning applications are received, then a separate planning meeting will be called, otherwise the Council will then meet again in September 2024.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

Various consultations and representations have been received on line and at the meetings from the various solar farms and energy park developments which are ongoing around the Stallingborough area.

The vacant allotment has been taken but if you are interested in any future vacancies which might occur, then contact us to get your name on the waiting list.

The Council has now had its internal audit and will be sending all the information through now to its external auditors as required.

All information is on the PC website at
www.stallingboroughparishcouncil.com

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 855 Liam Hopwood liam.hopwood@humberside.police.uk

PC 1645 Kris Collins kristian.collins@humberside.police.uk

PCSO 7713 Diane Bell diane.bell@humberside.police.uk

Needless to say, that along with everybody else the partnership is hoping that a change of government will bring about transport improvements to the region- (the new Rail Minister has experience of the industry)

The proposed station murals project mentioned in the last issue to be produced by the Grimsby based organisation, “The Big Picture”, is under way and various youth groups will be approached to take part.

I was hoping to include the QR code link to the walks item on the BCCRP website in this issue of the Newsletter but there seems to be some technical problems so here’s hoping it can be sorted for next time!

Hello Everyone,

Another two months have flown by – where is the year going?

We were entertained to a very interesting talk by Emma Lingard in June. Emma showed slides of Grimsby Market and the Bull Ring and talked about the changes that have taken place in the Top Town area of Grimsby over the years. It was amazing how many of the old shops some of us could remember!

As we could not meet at the Village Hall in July due to the General Election, Orchard Barn kindly hosted our meeting. We experienced Tai Chi Qi Gong led by Emma Bailey of Great Oak Therapies. These are ancient Chinese practices involving breathing, movements, postures and meditation and we all had an enjoyable time.

We are looking forward to our Summer Supper on Thursday 1st August where we will enjoy lots of food, drink and talking! We are asking everyone to bring a photo of their younger self for a chance to guess “Who’s Who”.

On 5 September, Dr Nicola Crewe from Lincoln University will talk to us about “Environmental Evidence”. Dr Nicola is a very interesting and knowledgeable speaker and we are looking forward to seeing her again.

CHURCH NEWS –
ST PETER AND ST PAUL,
STALLINGBOROUGH

The joint service we held on the 30th June was very well attended, we had most of the churches in the group represented.

We are on a rota with the other four Festival Churches, so we should have a service every 5th month on the 4th Sunday at 11am. We have been promised 6 clergy led services a year so hopefully we will be celebrating Harvest Festival and the usual services at Christmas.

We are waiting for the results of the quinquennial survey and have applied for permission to put a new roof on the boiler house. The electrical check has been done and passed, and the fire extinguishers are serviced. Norman and Philip are looking into the possibility of becoming an eco church. There are 3 awards for this bronze, silver and gold. We have almost reached the bronze this is to do with the nature in the churchyard. These awards also mean we are more likely to get grants for projects such as trying to install a toilet at the church.

We welcome any enquiries for baptisms, weddings and funerals.

Please contact the Churchwarden

Marion Moorcroft - Tel 01472 885072.

Assistant Warden

Norman Coffey - Tel 01472 280587.

Stallingborough Village Litter Picker:

Some of you may have seen our newly appointed Litter Picker in the Village. This is a post initiated by the Parish Council and is a litter picker working a few hours each week only in Stallingborough and paid for by the Parish Council from its annual budget.

The person carrying out the role wears a hi-viz vest and has all the necessary equipment supplied by the Council. Feedback so far has been very positive and if anyone has any particular areas which become very littered, please let us know and we can ask our staff member to litter pick at that location.

The Parish Council does have a rota and is trying to ensure all of the village is covered by our litter picker over a 4/5 week rota.

Double Parking

Can residents please remember to park responsibly over the next few weeks and not to double park. We need to allow room for large farm machinery to be able to have access through the Village with combines and tractors needing access at harvest time. So if everyone can park considerably along the main access roads for the next few weeks/ couple of months please!
