We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

Parish Council Update:

The Council is busy getting things done—it is having the bar area seating reupholstered in the village hall which will brighten the room up.

The Council is also having works done to some of the trees on the playing field following a tree inspection. This work should be carried out weather permitting in July.

PARKING IN THE VILLAGE

Can we politely remind all residents that it is the time of year again where farmers will be moving large tractors and combines around our area.

Its really helpful if people can park on their driveways where possible and not double park on the roads—this allows the heavy vehicles to get through.

It would also be appreciated if people were considerate when parking around junctions etc.—we must leave enough visibility at junctions to allow other vehicles to use the roads safely.

Thank you!

CAN YOU HELP??

We have received very few entries for the photography competition. You may recall I mentioned that the photos will be included in a calender for next year.

So please get snapping (most folks use their phone now). Anything broadly associated with the railway will be acceptable, but needless to say, do not put yourself in any danger when taking the snapshots. E mail to:

Come on Stally Folks

cllrm-

It is that time of year when hedges and trees can become overgrown.

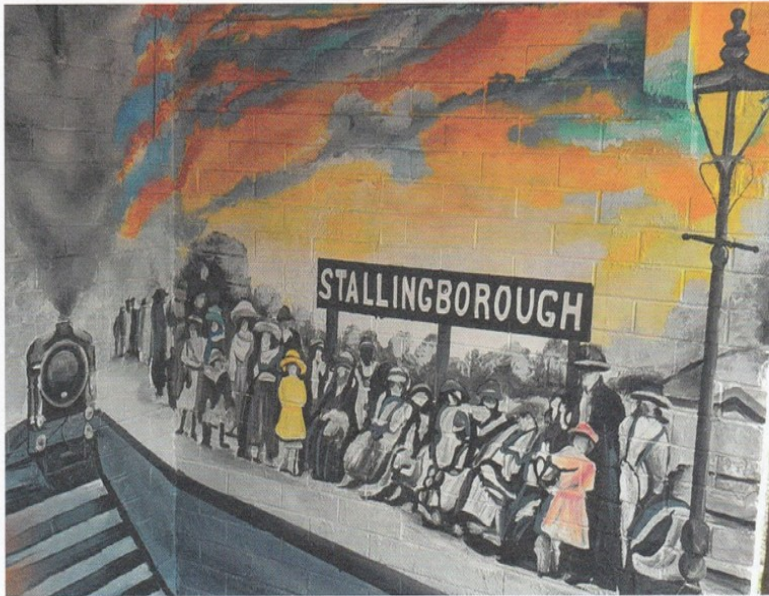

If we can politely remind everyone to trim back any overgrowth which might be growing over the road or footpath so that people can pass by safely and cars and vehicles have a clear sight line at junctions etc.

Thank you.

CHURCH NEWS – ST PETER AND ST PAUL, STALLINGBOROUGH

Stallingborough Church is a rare Georgian Church, opening in 1780 or thereabouts. Maybe you have noticed how different it looks, (being built of brick in a certain style), to other local parish churches. It is built on the foundations of a very much older stone church that collapsed. Recently we have contacted the “Georgian Society” based in London to show them this little gem of a building here in a far corner of Lincolnshire and hope to liaise with them further.

In relation to our church building and some of the repairs needed, a grant has been sought and awarded from the Archbishops’ Council under the *Buildings for Mission MR&I Grants Fund*, all necessary List B permissions having been sought and gained from the Diocese via the Archdeacon’s Office and a contractor having been lined up.

Visits from teams of bellringers to our church are still of interest within the bellringing community it seems. We had a large group of bellringers from Durham, (mostly seemingly in their 20s), visit us and play last month.

As some of you probably know, between 12th to 21st September, this year’s National Heritage Open Days are being held. Norman Coffey, our Assistant Churchwarden, has registered with the organizers the special opening of the church from 12noon to 4pm during those days and there will be some displays of historical events that happened in and around Stallingborough

CHURCH SERVICES – Please support us to help keep our church open.

Hello Everyone,

Yet again it's Newsletter time which seems to come round a lot quicker nowadays!

On June 4th Emma Hobson came to give us an illustrated talk about the work of the NSPCC. It was an informative talk and she spoke at length about the influence of the internet on children from an extremely young age, this is deeply disturbing as it is accessible 24 hours, 365 days a year! I am so pleased that my own children were young before the internet took over the world!!

Steven Near from Near&Near Undertakers, talked to us on July 3rd about his work as an undertaker. His talk was really interesting and not at all sombre and he answered quite a lot of questions posed by members.

We are all looking forward to our outing to Scampston Hall near Malton on Thursday July 17th leaving the Village Hall at 9.30am and leaving Scampston at 4.30pm so we'll have plenty of time to look round the house and gardens.

On Thursday 7th August we shall be enjoying our Summer Supper with food, drink (alcoholic and non alcoholic), a beetle drive, possibly a quiz and lots of talking!!

Dr Nicola Crewe (from Lincoln University) is coming on Thursday 4th September to deliver a talk entitled, 'Exactly What it Says on the Tin'. Nicola's talks are always fascinating, she's an excellent speaker!

WOMENS INSTITUTE

On Thursday 2nd October the Reverend Mark Hobson is coming to tell us about the vital work he does at QVSR Immingham. Mark is a really enthusiastic speaker and I'm certain that we'll all learn lots!

We meet at 7.30pm in Stallingborough Village Hall on the first Thursday of each month (except January and May).

Ladies will be made most welcome, if you have any questions about W.I. please feel free to contact me and I'll do my best to help you.

Best wishes,

Jenny Short
