## **Parish Council Notes**

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in December 2024 and then again in January 2025 at which meeting the budget and precept for Stallingborough Village was set. The budget is shown in full elsewhere in this edition of the Newsletter.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at [www.nelincs.gov.uk](http://www.nelincs.gov.uk). You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

Various consultations and representations have been received on line and at the meetings from the various solar farms and energy park developments which are ongoing around the Stallingborough area.

New newsletter distributors are now in place with two distributors covering the village.

All financial information pertaining to the audit is on the website.

All information is on the PC website at

## **How you can help**

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 855 Liam Hopwood [liam.hopwood@humberside.police.uk](mailto:liam.hopwood@humberside.police.uk)

PC 1645 Kris Collins [kristian.collins@humberside.police.uk](mailto:kristian.collins@humberside.police.uk)

### **Stallingborough Report for JANUARY 2025**

There have been thirty eight crimes recorded for the Immingham, Habrough and Stallingborough ward area for December to date (18/12).

Intruders entered a building site off Stallingborough Road causing damage to security fencing in doing so. A fuel bowser and fuel reel were stolen. Four plant vehicles were then targeted for the fuel. Approx £2300 worth of diesel was stolen.

There has been one incident of ASB reported.

Motorbikes being ridden illegally on Stallingborough Road.

Although only one incident has been reported, we are aware of numerous issues of ASB around the Civic Centre, shops, and Hadleigh Road involving various groups of local youths. Officers are now identifying those involved in causing these issues and will be taking appropriate action. In the meantime, the message to parents is: 'Do you know where your child is? Do you know what they are up to?' If not, find out, before you get a knock on your door from officers.

**Community Rail**  
We are looking for light-hearted and inventive images that capture the essence of community rail. These can be in any setting, as long as the connection to rail/community rail is immediately obvious.

Hello Everyone,

A Happy New Year to you all!

On the 7<sup>th</sup> November Clare from Sassy Spirit gave us a very informative talk about plastic and how it is damaging the environment globally. Her company aims to use as little plastic as possible and to sell ethically produced items. She sells hats and scarves made from recycled plastic bottles—they look as if they are made from wool!

At our December meeting we made some small Christmas decorations, enjoyed a delicious faith supper and talked lots!! Once again members were very generous with their donations of items for the Immingham Seafarers Centre. Carolyn and Ian kindly delivered the items to the centre on the following day.

We don't have a meeting in January but we are going for a meal at Stallingborough Grange at lunchtime on Thursday 23<sup>rd</sup> January.

Our first meeting of 2025 is on Thursday 6<sup>th</sup> February when we will be having a talk about the work of the NSPCC.

Waltham Windmill Preservation Trust are coming on Thursday 6<sup>th</sup> March to tell us of their work keeping the windmill going.

Thursday 3<sup>rd</sup> April is our AGM and competitions night.

## Plans for 2025

We plan to design a map of the village to be displayed at the station and other locations around the village. We would like to hold a walk around the village for residents and in the future, hope to add notice boards depicting key features in the village. Any more knowledgeable residents would be welcome in helping us put these together.

We also hope to organise a summer event, such as an outdoor theatre or sports activities utilising the money raised at last year's scarecrow festival and wreath making workshops. Please get in touch if you could help with organising something.

As always, we have many ideas and plans for the year but we can only go ahead with them all with your help and support. We are hoping to set up specific groups of residents who would be interested to help with specific tasks. The groups would either be on WhatsApp or email. An example would be 'Friends of the Community Orchard' which would meet as and when required to maintain the meadow and improve the area for wildlife.

## **CHURCH NEWS – ST PETER AND ST PAUL, STALLINGBOROUGH**

New Year good wishes to all Stallingborough residents from your Parish Church!

December was a busy month with three Christmas Services and the church was decorated up including a large, beautiful Christmas tree very kindly donated by the Hoyes family.

Apart from the usual well attended Carol Service and Crib Service we had the third annual, specially dedicated service, for the “Home From Home” Care Home Group, some of whose residents live at the Old Vicarage next to the Church. Other residents came to the event from Group homes elsewhere in Lincolnshire.

This and the special Easter service have become yearly events now and the brilliant help from Healing Church and the dedicated carers from the care home group make it a memorable time at Stallingborough Church. The car park area and approach road were full to overflowing and this year the residents brought along their own “bells and shakers” to add to the Christmas music tracks we play through a specially set up Church PA system. These services are video’d by the Group and clips of this year’s event in church and at the Village Hall are on YouTube. Bit of village fame - eh?

In the last twelve months along with funerals, wedding/Christening etc, we have had some more visitors from the USA; one of our churchwardens showed them round as they had a name very similar to Ayscough and, like our other American visitors, they were researching their ancestors. Our church is Grade II\* listed which means, (with the \*), “particularly special” and, (I assume), that’s partly because of the Ayscough effigies in the Chancel area which are of great interest to our American guests.

In May last year a “Quinquennial”, (five yearly building survey), inspection took place and much later in the year the 61 page report was issued. This is a serious(!) architectural read for the village’s Georgian church and obviously a Grade II\* listed building must be monitored very carefully. More about this to come.

Thinking about the year ahead at Stallingborough Church we have a normal service in March to start the year off on the services rota. The Wolds Gateway group of churches, of which we are a member is down to one ordained vicar now between all eight churches. “Save The Parish” is a well- established group in church circles who believe that significant change is needed within the Church of England. I find their website a very interesting read.
