Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in April and May and May was the Annual Parish Council meeting as well as the Annual Parish Meeting for Stallingborough Village. The Annual Parish Meeting saw the publication of the Annual Report and Accounts for the Parish Council and this will be on our website and paper copies, for a small fee, can be obtained from the Parish Clerk.

The final vacancy on the Council has now been filled and the Council welcomed Kyle Hewis to fill the remaining casual vacancy.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

Various consultations and representations have been received on line and at the meetings from the various solar farms and energy park developments which are ongoing around the Stallingborough area.

Our allotment site now has one vacancy and anyone interested who lives in Stallingborough should get in touch with the Clerk. If the plot has been taken we can still put your name on the list for a future plot.

The Council has now had its internal audit and will be sending all the information through now to its external auditors as required.

All information is on the PC website at
www.stallingboroughparishcouncil.com

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 855 Liam Hopwood liam.hopwood@humberside.police.uk

PCSO 7713 Diane Bell diane.bell@humberside.police.uk

At the time of writing industrial action by ASLEF is continuing to cause disruption so there is a need to check with the Train Operating Companies, TPE or EMR before planning your journey.

On a more encouraging note, designated walks along the line will soon be available as a set of cards or as a QR code link on the BCCRP website. I hope to include all the QR codes in subsequent editions of the Newsletter.

Also relaunched is the bike hire scheme. The electric bikes including folding ones, are now available for hire by the day at £15 per day but can be hired for longer by arrangement at reduced rates.

To hire, simply inquire at the Cycle Hub on Grimsby station. All that is required initially is photo ID and proof of address.

Next year 2025 is the 200th anniversary of the instigation of the worlds first passenger carrying railway, the Stockton & Darlington Railway.

Events are in the planning and will there will be some specially commissioned murals at certain stations.

The summer timetable will be in the next issue of the Newsletter but it should be in the station notice board at the time of going to press.

Best wishes, Martin

Spring posy or small flower arrangement- Marion Moorcroft. Prize a £10 M&S giftcard.

As the village hall was being used as a Polling Station on Thursday 2nd May we couldn't hold our meeting there so we visited Special Edition Chocolates at Willingham Hall Market Rasen. The owner Alan gave us a fascinating talk about the chocolate making process from the growing of the cocoa trees to the final chocolate. We started with a cup of hot chocolate served by his wife Rosanna and went on to taste lots of delicious flavoured chocolates. I'm sure that all our ladies would recommend a visit.

On Thursday 6th June Emma Lingard is coming to tell us about the 'History of Grimsby Streets' which should be very interesting.

On Thursday 4th July another Emma, Bailey this time, from Orchard Barn is coming to show us a selection of therapies.

CHURCH NEWS –
ST PETER AND ST PAUL,
STALLINGBOROUGH

The service held on April 28h was very enjoyable, thanks to Wilhelm & Joy for their musical contribution.

Our next service is on June 30th at 11am. It would be good to see a few more village people there. We also have a wedding booked for July and a baptism in August. I am extremely happy to see the Church being used again.

We held our Annual Meeting on May8th when we elected Churchwardens and members of the PCC. We have also had our quinquennial which is due every 5 years. An architect surveys the church and writes a report of any repairs etc. we need to make the structure of the church safe. We expect to get the report in August, and are hopeful nothing serious has been found. We are also due a check on the electrics in the church and the fire extinguishers. All of these are compulsory if we want to keep our beautiful Church open. But all these things come at a price I hope residents will support us in our efforts to keep it open.

We are about to erect two signs at the Church. One where the dustbin are, asking for all flowers, wreathes and dog poo bags to be taken home and disposed of. We do not have NELC collecting rubbish at the Church. The other sign will be situated

at the end of the road near the field gate. This section of the road up to the Church is the responsibility of the Church, unfortunately most of the use is by none Church traffic. We cannot afford to keep having it repaired.

We welcome enquiries for baptisms weddings and funerals.

Services

June 30th 11am this is a joint service with the others churches In the Wold Gateway group.

Everyone Welcome.

Dog Fouling:

This is becoming a bit of an issue again on pavements and in green areas. Please bag up your dog waste and either put it in a litter bin if there's one nearby (yes you can do that, they are dual purpose bins) or take it home and put it in your ordinary waste wheelie bin—this is acceptable by NELC.
