Parish Council Notes

The Council meets every month, on the second calendar Wednesday of the month, at the Village Hall, commencing at 7.30 pm. Agendas are published a week before and are on our website. Members of the public are welcome to come along and attend.

The Council met in August for a Planning Meeting and then again in September for its usual scheduled meeting. The September meeting saw a presentation from ABP for a new proposed project which will sit on the Stallingborough boundary. There was also someone present to address issues on the proposed pumping station on the mitigation land.

Various planning applications were discussed and all planning applications discussed at the PC meetings are available to view on the NELC website at www.nelincs.gov.uk. You just go to the Planning Applications, agree the terms and conditions and then you can input the planning application reference number or the address and it will bring up the documents for you to view.

Various consultations and representations have been received on line and at the meetings from the various solar farms and energy park developments which are ongoing around the Stallingborough area.

A newsletter distributor vacancy had been advertised on social media and we received several applications, with two distributors now appointed to share the distribution round. Thanks to all those who applied.

The Council sent all of its financial information to the external auditors at PKF Littlejohn and feedback was now awaited.

All information is on the PC website at www.stallingboroughparishcouncil.com

How you can help

Your local Community Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are issues within your community that the police should consider prioritising, then please speak to your local officers, town, or parish councillors or through the One Voice committee.

The named officers for Immingham, Habrough and Stallingborough ward are:

PC 855 Liam Hopwood liam.hopwood@humberside.police.uk

PC 1645 Kris Collins kristian.collins@humberside.police.uk

PCSO 7713 Diane Bell diane.bell@humberside.police.uk

PCSO 7877 Becky Wildman rebecca.wildman@humberside.police.uk

Scarecrow festival

Congratulations to our 3 winners but also a huge thank you and well done to everyone who made the effort to make scarecrows this year, without you, the event could not go ahead.

Community Orchard

Work continues to establish a wildflower meadow for the benefit of wildlife and the community. A new arch has been built and a sign installed. Establishing a wildflower meadow is always tricky and after a wonderful flush of flowers in the summer, the meadow has now faded and is not looking so good. Soon the meadow will be cut and the seed left to fall for a period before being cleared. Weeding will be ongoing to remove docks, nettles, and brambles. We will be sowing additional seed, bulbs and plants in autumn and spring. Donations of English bluebells, snowdrops etc would be welcome either now or after flowering.

CHURCH NEWS –
ST PETER AND ST PAUL,
STALLINGBOROUGH

We are pleased to say since the last Newsletter we have had a wedding and a baptism at the Church. It has been great to hear the church bells being rung monthly, we also had them for the wedding.

Norman has been to two car boot sales selling items donated to raise money for the church. This is helping with our fund raising efforts. We are still waiting for the report of the quinquennial survey and then we will be able to repair the roof on the boiler house.

Our Harvest Festival will be held on Friday October 18th at 7pm I hope we will get the support of the village.

We have been arranging our services for the Festive Season.

Our Carol Service will be on December 15th 3pm and a crib service on 24th December at 3pm. I will put a reminder in the November newsletter.

We welcome any enquiries for baptisms, weddings and funerals.

Please contact the Churchwarden

PRODUCE SHOW.

We would like to thank everyone who exhibited and joined us in the afternoon to admire all the entries. It was so good to have so many entries of a very high standard in most classes. A bit disappointed with the number of children's entries. The ones that entered did some brilliant work, please encourage your friends to enter next year.

Thanks to the helpers who came on Friday evening to help us set up, Saturday in the afternoon and the clearing up after the show.

Everyone seemed to enjoy the event and we would like you to spread the word and get lots more entries next year. We will soon be having a meeting to analyse the show and see if we can make any improvements for next year.

If anyone would like to help with the organising please contact anyone on the committee.

Remembrance

Day 2024

The Parish Council will once again be holding a Remembrance Day Event.

This year it will be on Sunday 10th November 2024.

As last year, we will meet at the memorial in the garden on Station Road. There will a short service and readings.

The Parish Council has applied for a complete road closure for a short section of Station Road where the service will take place and the road closure will be in place from 10.30 am through to 11.30 am. This will give a safe space for those attending the service.

Anyone wishing to lay a wreath at the memorial will be more than welcomed to do so.

As per last year, you are all invited to come back to the Village Hall for some light refreshments, courtesy of the Parish Council.

Any questions please email or call the Parish Office.

On 7 November, Clare of Sassy Spirit, a local company will be bringing along her collection of beautiful accessories for us to view and purchase. Clare is an environmentally focused retailer with a desire to support fashion that is sustainable and ethically sourced.

We meet at 7.30 pm in the Village Hall on the first Thursday of every month (except January and May). Any ladies wishing to see what WI is about will be made most welcome.

Please feel free to contact me if you have any questions or require information about WI.

Best Wishes
Christine Cross

Hello Everyone,

I think we can say goodbye to summer now that the weather has turned autumnal and the nights are pulling in.

Our Summer Supper in August was a lovely event where we shared lots of food, drink and talking. The evening concluded with a "Who's Who" where ladies could guess the identity of their fellow members in their younger years. Some were easier than others, especially those whose grandchildren live in the village!

In September, Dr Nicola Crewe from Lincoln University gave an extremely interesting and knowledgeable talk about environmental evidence. This looks at plants, fibres, soil and water as sources of forensic information and everyone was fascinated by the subject.

On 3 October, Liz Drury is coming to talk to us about her work and career as a Voice Over Artist.

At our Harvest Supper on Thursday 17 October, Liz will return with the South Bank Players who will be performing a Murder Mystery entitled "Who Says Crime Doesn't Pay?" The actors perform and the audience participate by asking questions and working together to decide "who dunnit?". There is a 1920's theme and it is optional if anyone wishes to dress up. A plum bread and apple pie supper will be served. Our Harvest Supper is always an open meeting and everyone is welcome. Posters will provide more information shortly.

Stallingborough Roll of Honour

The Parish Council has recently had the Roll of Honour updated and this is being displayed currently in the Village Hall alongside the original version.

The new version has been digitally printed and is much easier to read than the original and the Council is delighted to display them both at the Village Hall in honour of those from Stallingborough who gave their lives for their country.

Fault Reporting, NELC

If you have a fault to report, such as a pot hole, faulty street light, fly tipping etc. you can do it directly with NELC.

On their website at www.nelincs.gov.uk just go onto the Report It link which is on the home page.

You will then have a choice of categories, such as street cleaning, road repairs etc. and if you click on these then you can report the fault directly and they will acknowledge your request with a dedicated customer number etc. You can then track whether the repair has been carried out or your request actioned.

Let's talk about

Direct Cremation

As your trusted, SAIF Approved, local, family owned funeral director, we feel it is important that you are aware of exactly what a Direct Cremation entails.

A stand alone Direct Cremation, as you might see advertised on TV, has no service for family or friends at all.

It is quite simply, a removal of your loved one, followed by the return of the cremated remains some weeks later.

It is often the case that your loved one is transported to a central cremation hub far from their home.

We do offer Direct Cremation, but unlike many of the offers advertised on TV, we will look after your loved one locally and continue to provide the additional services you have come to expect from us.

A Direct Cremation through Near & Near Undertakers ensures

- Friendly, professional service in your time of need
- The deceased is always treated with the utmost respect
- All funeral arrangements and preparations carried out locally
- The ability to choose a date and time for the funeral
- Provision of an Environmentally Sustainable Fair Trade coffin
- Online Death Notice
- 'Paying your respects' is available
- A 'Private Farewell' by request
- Return of Cremated Remains within 3 working days
- Economically priced

Feel free to come in for a chat about the wide range of options we offer.
